Secrest Wardle is proud to announce that seven of the Firm’s attorneys have been named to the “2024 Top Lawyers in Metro Detroit” list by *DBusiness* magazine. All seven attorneys recognized practice out of Secrest Wardle’s headquarters in Troy. The research for the Top Lawyers list was created by PRS (Professional Research Services) and is based on an online peer-review survey sent out to the certified lawyers within the metro Detroit area. Many votes were cast honoring excellence in the legal field, and inclusion in *DBusiness* magazine’s Top Lawyers list is based solely upon one’s standing within their peer group. *DBusiness* magazine is Detroit's premier business journal.
